Dear Mr. Porter,

I am currently working on your application for a Bus Certificate. I've tried to reach you by phone and by the e-mail address that was listed on the application, and have been unsuccessful. This is my last resort to get in contact with you.

There are a few things that need to be completed or clarified on your application. Here they are:

- Your corporation needs to be registered with the Secretary of State's office.
- Are you wanting to provide a door-to-door, by reservation service only (which was in the previous certificate) or scheduled routes? On #7 of the application, you have indicated routes, as well as on some of the attachments you have included. The application and some of the attachments don't match. We will need clarification of what you intend to serve and then make the corrections to the application and/or attachments.
- Also missing are the available times that customers can make reservations. You mentioned office hours 8:00 a.m. to 5:00 p.m. Monday through Friday, but we need to know what times the buses would be running.

Any questions or concerns, feel free to contact me at 360-664-1170. I was hoping to get this application on the 7/25/05 Docket if we can get everything in order by 7/20/05. If not, it will go on the following Monday docket. Thank you for your time.

Sincerely
