Greetings

We are applying for a rate increase to cover some increases in operation expenses and a decrease in revenue resulting from a decrease in water usage.

The increase is expected to generate an increase in revenue of \$15,238.

The rate increase will have an effective date of March 1, 2006. Our customers will be informed of the increase by letter mailed on January 28, 2006. A copy of the notice was posted at the store where water bills can be paid, and in our office.

Sincerely yours,

by Gerald R. Garrison, for
