Re: North Beach Public Development Authority

Dear Ms. Washburn:

This is to advise you that the North Beach Public Development Authority (the "PDA"), a public corporation created by Pacific County, Washington, has acquired substantially all of the assets of Pacific Water Company, Inc. ("PWC").

The sale was effective on Friday, February 3, 2006, and the PDA will from that date provide service to all former customers of PWC. As a public corporation created by Pacific County, the PDA is exempt from regulation by the WUTC.

Please let me know if you have questions about this matter.

Sincerely,

R.D. Williams
President, Board of Directors
North Beach Public Development Authority

CC: Kathy Noren, Secretary to the Board of Commissioners, Pacific County, Washington
Theresa Walker, Washington State Department of Health
