UTIL AND TRANSP
COMMISSION

Dear Ms. Washburn,

We would like to request a 30 day extension until the end of May 2006 to file our Annual Water Report for the year 2005.

We have not received the necessary information from our Auditors at this time to timely file the report as of May 1, 2006. The delay on their part is being caused by the necessity to consolidate certain schedules as a result of the merger of six other Water Companies into H & R Waterworks, Inc. as of January 1, 2005.

We will pay the Regulatory Fee as required by May 1, 2006.

Thank you for considering this extension request.

Sincerely,

Robert D Mattler
Controller
