Re: Request for permission to suspend service of the AQUA EXPRESS POF certificate number BC-129.

Dear Ms. Carole Washburn,

Pursuant to WAC 480-51-130, we request permission to extend the service suspension of above referenced certificate from July 1, 2006 to December 31, 2006.

The reason for this request is that AQUA Express is working with Kitsap Transit on resuming Kingston service and more time is needed to develop a viable business model.

Thank you for your consideration. We look forward to working with ferry riders, the WUTC, and Kitsap Transit on resuming service between Kingston and Seattle.

Sincerely,

John Blackman
Managing Member
