LSN Request: July 1, 2006

Dear Ms. Washburn:

Washington Exchange Carrier Association (WECA) submits herewith the original and three copies of the revisions to Washington Exchange Carrier Association Tariff WN U-1 as referenced above. Also included is one copy of the workpapers supporting this filing enclosed within an envelope stamped confidential. Please be advised that all workpapers contain confidential and proprietary information that should not be disclosed to other parties without the written consent of the issuing companies.

This filing adds Beaver Creek Telephone Company to the WECA tariff. As a result of this change, the Interim USF rate will increase from \$.05754 to \$.05846 per terminating CCL access minute. The enclosed tariff pages have a stated effective date of July 23, 2006.

In accordance with the provisions of WAC 480-80-280, Mr. Robert Smith is authorized to issue the tariff sheets on behalf of the member companies. Mr. Craig Phillips is authorized by WECA to file the revised tariff sheets with the WUTC.

Based on discussions with WUTC Staff, in order to expedite the admission of Beaver Creek Telephone Company into the WECA pools, it is requested that LSN treatment be given to this filing so that these revisions can be made effective July 1, 2006.

If you have any questions concerning the filing, please contact me at (360) 690-4535.

Sincerely,

A handwritten signature in black ink, appearing to read "Craig Phillips". The signature is written in a cursive, flowing style.
