**Re: Murrey's Disposal; Proposed Revision of Certificate G-9
Revised Pursuant to Commission's Mapping Project for Solid Waste Certificates**

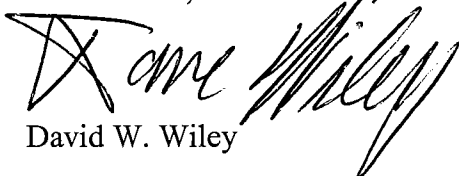

Dear Ms. Washburn:

Pursuant to the staff's email letter and Murrey's Disposal's consultant's letter of May 27, 2003, this is to affirm in the proposed Murrey's Disposal certificate revision. With the understanding that none of the reissuance of G-9 reduces the amount of existing authority in G-9, and pursuant to the restated PID paragraphs and the maps provided by the staff, on behalf of Murrey's Disposal, we concur in the reissuance of Certificate G-9 pursuant to Mr. Dejos's June 16, 2006 email.

Please contact me or Eddie Westmoreland of Murrey's Disposal/Waste Connections, Inc. with any further questions or concerns on this matter.

Yours truly,

WILLIAMS, KASTNER & GIBBS PLLC
