Re: Intelligent Community Services, Inc. – Request for Extension for Block
Activation

Dear Ms. Washburn:

Intelligent Community Services, Inc. (“ICS”) hereby respectfully requests that the deadline for block activation on pooling bloc 509-260-2 be extended for the allowable 6 month period. ICS has been diligently working on both our cable plant and agreements to allow us to put this block in service.

We expect to have the technical and contractual hurdles overcome before our extension expires and have the block in service. At the time that happens, we will have our consultant GVNW notify pooling and the WUTC.

Sincerely,

Jeff Tilleman
Vice President
