Subject RE: Docket No. UE-990615

Ken,

In our initial look at our records we do not see a transmittal of these documents. This may have been an oversight on our part.

We will get these documents out the door this afternoon. Thanks for bringing this to our attention.

Kelly

Subject: Docket No. UE-990615

Kelly,

I have the formal file for this docket. It was the Company's application for authority to issue \$400 million of debt.

Ordering paragraph #2 requires Avista to file certain reports and documents. Unfortunately the file does not contain these items required by the order.

Please provide copies of the transmittal letter and associated reports and documents the Company submitted as required by the order. I will then be able to make sure the file is complete.

I am sorry for the inconvenience this may cause.

Thanks
