Rocket Transportation will serve Clallam and Jefferson by providing door to door service to and from these counties serving Seattle and Tacoma Amtrak, Greyhound, major hotels, hospitals, and SeaTac Airport using our state highways to best serve all the above mentioned. Our proposed line of travel, leaving the Olympic peninsula for example would be as follows:

We would take highway 101 east out of Sequim to Highway 104 to the hood canal bridge. From there we would head south on highway 3 through Silverdale and Bremerton to highway 16 in Gorst, through the Port Orchard, Gig Harbor, and Tacoma areas to Interstate 5, and travel on northbound I-5 to everyone's destinations.

Item #10

Rocket Transportation's door to door service will run on a "by reservation" basis. Rocket Transportation feels we can best serve our community in this manner by offering a possible four trips a day. Our time tables will be based on our main destination being SeaTac International airport and the times our vehicles will arrive at this destination.

Rocket Transportation is proposing four "by reservation" arrival times at SeaTac:

6 A.M., 10 A.M., 2 P.M. and 6 P.M.

Arrival times at Tacoma destinations would be approximately ½ hour prior to SeaTac arrival times and Seattle destinations ½ hour after dropping off at SeaTac.

We would then propose "by reservation" pick up times for travel back to Jefferson and Clallam county addresses at the following times:

8 A.M., 12 P.M., 4 P.M., and 8 P.M.

Pick ups in Seattle would start approximately 1 hour prior to pick up times at SeaTac and Pick ups in Tacoma approximately ½ hour after leaving SeaTac.

Rocket Transportation's door to door service will be based on all travel beginning and ending in Jefferson and Clallam Counties. Starting in Clallam county, Rocket Transportation will take Hwy 101 to Hwy 104 traveling across Hood Canal bridge to Hwy 3 and head south towards Silverdale (with a possible drop off at the main west entrance of the mall), then continuing south on Hwy 3 towards Bremerton (with a possible drop off at the Denny's on Kitsap way right off hwy 3). We would continue on toward Gorst Merging onto Hwy 16 and heading east towards Tacoma and I-5, again, with possible drop offs at the McDonalds in Port Orchard on Sedgwick Rd, and the McDonalds in Gig Harbor off Olympic Dr, then heading for our main destinations in Tacoma and Seattle. For our stops in Tacoma, Rocket wishes to service Amtrak, Greyhound, St. Joseph's and Mary Bridge Hospitals and major Hotels in Tacoma.

We would then head for SeaTac International airport and surrounding hotels for drop offs. Once all drop offs were made, we would travel into Seattle for drop offs and pickups at the major hotels, hospitals (as far north as N.E. 45th only), Amtrak, Greyhound and the cruise ship piers. Once all Seattle appointments have been met, we would head back to SeaTac hotels and airport for pickups. Upon leaving the SeaTac area, possible pick up points for travel to Jefferson and Clallam counties would be performed in just the reverse.

Item #11.

The transportation needs of the far-flung rural residents of Clallam and Jefferson Counties are expressed in two words: convenience and affordability. For the elderly and handicapped, these needs are pressing. How will the elderly woman living on the coast make her doctor appointment in Seattle at 9am? Not by bus; and she can afford nothing else, nor does she feel safe driving herself. There is currently no company in either Clallam or Jefferson County offering a door to door, by reservation service affordable to those many residents subsisting on a fixed income, yet who do not qualify for assistance from Medicare or Medicaid.

As an active force in the community, Rocket Transportation is eager to provide this service. Already the company has been involved collaboratively with other community businesses, such as Bridge Builders and Crestwood Convalescent Center, ready and able to fulfill transportation needs in specialty situations, at a cut rate when need has arisen. Rocket Transportation—under contract with Paratransit Services, Inc. and Clallam Transit, and also as a service provider for Labor and Industries—has been providing for hire transportation services for over a year, and charter and excursion services for some six months, to Clallam and Jefferson Counties. Having been involved in the CARE/Transportation Workgroup, the company has been able to provide feedback regarding transportation needs in the area, and to hear from others in the community about where gaps in transportation service still exist.

A yawning gap appears in just this area: a convenient, affordable way for the average citizen in Clallam and Jefferson Counties, who does not qualify for Medicare or Medicaid, to travel off the isolated peninsula via a transportation provider, directly to their destination, anytime, anywhere.

If granted the opportunity Rocket Transportation hopes to fill this gap by extending its services, making them more utilitarian and more affordable by offering door to door, by reservation transportation services seven days a week to any location, at a cost per seat; a much more affordable alternative to a charter fee. The elderly woman on the coast will have the convenience of being picked up at her own door, and dropped off at her doctor's door in time for her appointment, at a price more compatible with her limited resources.
