To Whom It May Concern,

I would like to respectfully request an extension in filing our annual safety report for 2006. The reason for this request is because we have buses out of own over New Year's Weekend and will not have the accurate 2006 mileage until after December 31<sup>st</sup>.

I will be paying our 2007 regulatory fees before December 31<sup>st</sup>.

Thank you for consideration in this matter and Happy New Year for all of us at Chinook.

Sincerely,

Linda Pirnke, Corporate Secretary
