Baggage liability: This company does not accept checked baggage. Checked baggage means passenger baggage that is accepted for transportation but is not carried in the passenger compartment of the vehicle. Most airports do not provide checked baggage service. Baggage is placed in a secured portion of the passenger compartment that is separate from the seating area and accessed from the back of the vehicle. Should the company accept any checked baggage it is required to be liable for checked baggage at the rate of \$100.00 per child and \$250.00 per adult. It is further required to provide excess liability of up to \$1000.00 per adult fare for checked baggage for an additional fee. A fee of \$10.00 plus \$2.00 per \$100.00 (or any portion thereof) of excess valuation would be charged. Baggage contents would be subject to inspection and verification prior to issuing excess valuation. In such case forms would be available from the business office or the driver.

Children: Children under 2 years of age, when accompanied by a ticketed adult passenger, and not occupying a seat, will be carried FREE of charge. Children under 16 years of age, occupying seats, will be charged 50% percent of the adult fare, adding sufficient cents to make the fare end in "0" or "5". All children under 13 must be accompanied by a ticketed adult. Children 13 thru 17, traveling alone, must have a minor release form signed by a parent or guardian.

Employee fares. The company offers employees and their immediate family living with them, when traveling with the employee, the opportunity to purchase reserved seats at 50% of the regular adult fare or free passage on a stand-by basis.

Flag stops: The company does not stop at Flag Stops. All stops are by reservation only.
