No. 26 Canceling Substitute Third Revised Sheet No. 26 – **LSN  
REQUEST MAY 1, 2007**

Dear Ms. Washburn:

Enclosed you will find the original and three copies of the above-referenced tariff sheets. The purpose of this filing is to correct the application of the City of Monroe utility tax. This constitutes a reduction from current scheduled rates. Therefore, the Company requests that it not be required to provide a customer notice.

In addition, because after investigation it appears the Company's current tariff would incorrectly apply the city utility tax, the Company will not assess the tax on all revenue beginning April 12, 2007 as contemplated by the current tariff.

The Company requests an LSN effective May 1, 2007. The LSN request is predicated upon an agreement reached with Commission Staff on how to reconcile the handling of the city utility tax.

Sincerely,  
  
RICHARD A. FINNIGAN
