Ms. Carole Washburn, Secretary
Washington Utilities and Transportation Commission
PO Box 47250
Olympia, WA 98504

Dear Ms. Washburn:

Enclosed are proposed revisions to tariff 8.6 for Harold LeMay Enterprises, Inc. d/b/a Pierce County Refuse (G-98). The purpose of this filing is to increase rates due to higher disposal, labor, fuel, insurance and equipment costs. This filing also updates the recycle commodity credit.

If approved, this filing will generate approximately \$1,560,000 annually, or about 7.56% on regulated revenue.

A notice will be sent to customers on or before February 1, 2008. A copy of this notice will be provided to staff prior to this date. The Pierce County Council will receive a copy of this cover letter. Work papers in support of this increase are contained on an electronic file that is being sent to Commission staff. All other records are available at our Tacoma location.

If I can be of any further assistance, please contact me at 253-536-4416 or 253-537-8689 (fax) or johnlloyd@lemayinc.com.

Respectfully,
