Re: Aquarius Utilities, LLC
Proposed Rate Change

RECEIVED
WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION
2008 MAY 23 PM 1:37

Dear Ms. Washburn:

Enclosed is a proposed general tariff filing with an effective date of July 14, 2008. This tariff change is being sought to (1) cover increases in operating and administrative costs since our last general rate filing in February 2002, and (2) begin recovering the cost of capital improvements and purchases made since 2002.

The revenue impact of this filing, based on a 2007 test year, will be an annual increase of \$105,000, or about 2.6 percent per year since 2002. The average customer bill would increase by \$7.14 per month.

Attached is a copy of the customer notice, new and revised tariff pages, and financial information required per WAC 480-09-337. These documents are provided in both electronic and paper formats. The paper version is complete in every detail; however, some documents could not be exported to disc. Thus, for documents not present on disc, commission staff is directed to the paper version of this filing.

If you have any questions about this filing, please contact me by phone, fax or e-mail.

Very truly yours,

Gregory G. Roats, P.E.
Engineer/ Manager
