Tariff Revision

2008 JUL 28 AM 8:29

Dear Mr. Danner:

Deer Meadows Water Company, Incorporated, is filing to revise its tariff to include a service connection charge for new customers located outside the Deer Meadows development. This rate was inadvertently omitted during our initial tariff filing in 2007. Since we do not know who these new customers might be, there is no way to notice them regarding this update to our tariff, so we have not prepared a notice.

Also, the company is requesting a waiver from WAC 480-110-375 (3). This requested waiver would permit the company to estimate consumption charges during the winter months when meter reading is not feasible.

We have attached the revised tariff pages applicable to these changes.

Our proposed effective date is 9/01/08

Please call me at _____ if you have any questions.

Sincerely,

Charles E. Spencer, President
Deer Meadows Water Company, Incorporated
