Re: Fuel Surcharge Request and LSN for Pacific Northwest Transportation Services, Inc. (C-862)

Mr. Danner:

We respectfully request approval and adoption of the attached "Fuel Surcharge Tariff Supplement" and "Docket A-042090 Fuel Surcharge LSN", with the LSN effective date of: 19 September 2008, to recover the risen cost of fuel. Please see supporting documents attached as "FUEL PacNWTransp September 08".

The proposed fuel surcharge amount is \$2.00 per passenger for each direction of travel. The percentage amount that rates will change if "Special Fuel Surcharge Tariff Supplement NO. 72" becomes effective will be as follows:

Minimum Percentage

Proposed Surcharge Amount	\$2.00
Divided by Highest Fare Amount	\$305.00 for 7 passengers from Fare Zone Z
Percentage Amount	4.59%

Maximum Percentage

Proposed Surcharge Amount	\$2.00
Divided by Lowest Fare Amount	\$5.00
Percentage Amount	40.00%

Revenue is expected to change, if the proposed rates become effective, as follows:

Base Year's Average Customer Count	2686 per month
Multiplied by Proposed Surcharge Amount	\$2.00
Amount of Revenue	\$5372.00

Customer notice has been posted in all vehicles and at our Seatac Airport customer service counter. Supporting documents from our fuel supplier are included as "Fuel Purchase History through 09-15-08".
