Re: Special Fuel Surcharge Supplement No. 6 for Arrow Launch Service, Inc. BC-97

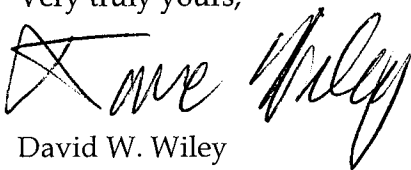

Dear Mr. Danner:

On behalf of Arrow Launch Service, Inc. for whom I am authorized to file tariff matters, the company requests Commission approval to amend its Tariff No. 6 on Less Than Statutory Notice to include a Special Fuel Surcharge Tariff Supplement No. 6 to recover the rising cost of fuel. The amount of the fuel surcharge requested for December is .66% and Arrow Launch calculates the line item impact of the fuel surcharge in its revenue requirement will amount to approximately \$1,400.00 in December.

The percentage amount that rates will change if they become effective is .66%.

If you have any questions about this filing, please do not hesitate to contact me at (206) 233-2895 or Mr. Jack Harmon at jharmon@olypen.com.

Very truly yours,

David W. Wiley
