Dear Sirs:

This filing is submitted by: Sunshine Disposal Inc., d/b/a Sunshine Disposal & Recycling, Permit G-199.

This filing proposes the following changes:

Item 230- We are requesting the addition of several new tipping fees:
Graham Road Disposal & Recycling- \$32.98 per ton for Mixed CDL Waste
\$24.05 per ton for Industrial Processing Waste
\$17.00 per ton for Foundry Casting Slag
\$29.95 per ton for Special Waste

This addition is being requested due to the temporary closure of Sunshine Recyclers Transfer Station after a roof failure due to extreme weather conditions.

Affected customers will receive a mailed notice with their billing in January.
