**Re: 2009 Plan and Procedures Review**

Between July 6, 2009 and July 8, 2009, commission pipeline safety staff (staff) conducted a Plan and Procedures Review of the Operations and Maintenance Manual for the City of Buckley's natural gas distribution system. No apparent violations were noted as a result of the inspection. Docket PG-090050 will be closed as of July 21, 2009.

Staff would also like to thank the City of Buckley's personnel for their professionalism in working with commission staff during the inspection process.
