Re: Notification of Cancellation of the Telecommunications Authorization
of Maskina Communications, Inc. (WUTC Form Attached)

To Whom It May Concern:

Maskina Communications, Inc. ("Maskina"), by its attorneys, respectfully requests that the Washington Utilities and Transportation Commission ("Commission") cancel its authorization to provide intrastate telecommunications services in Washington. (The Company was authorized for provision of competitive services in Docket UT-030033, effective February 9, 2003.) A completed copy of the Commission's form for this purpose is attached. At this time, Maskina has no customers for the services offered under its intrastate Washington authority, so no customers will be affected by this cancellation and no customer notification of discontinuance is required.

Enclosed are three copies of this letter for filing and a duplicate copy for date-stamp and return in the self-addressed, postage-paid envelope provided. This filing has been electronically submitted as well. If there are any questions concerning this matter please contact the undersigned counsel at (202) 342-8819 or via email at wbrantl@kelleydrye.com.

Respectfully submitted,

Maskina Communications, Inc.
