Dear Mr. Kaiser:

Re: 2009 Plan and Procedures Review

Between April 6, 2009 and April 8, 2009, commission pipeline safety staff (staff) conducted a Plan and Procedures Review of Georgia Pacific Consumer Products (Camas) LLC (GP) Operations and Maintenance Manual. No apparent violations were noted as a result of the inspection. Docket PG-090078 will be closed as of May 4, 2009.

Staff would also like to thank GP's personnel and GP's consultant for their professionalism in working with commission staff during the inspection process.

If you have any questions, or if we may be of assistance, please contact Patti Johnson at (360) 664-1266.

Thank you for your cooperation and interest in pipeline safety.

Sincerely,

Anne F. Soiza
Pipeline Safety Director
