Dear Mr. Danner:

Summit View Water Works, LLC wishes to file a revised tariff with the Commission. **We would like to change some of the Ancillary Charges on Schedule X, we have found our fees do not cover the administrative costs incurred by the company. The banking fee on an NSF check is \$25.00, we are only charging our customer \$5.00, our field agent is paid over \$25.00 dollars an hour to disconnect or reconnect service, again the cost to the customer is \$5.00.** The following documents have been submitted:

1. Revised tariff pages (45) with an effective date of **March 15, 2009.**
2. Customer notice about regulation that we will mail on **January 28, 2009.**
3. Financial information and support documentation for the test year of **2007.**

We understand there is a 30-day review period and our tariff should become effective at the end of that time.

Please call me at (509) 735-2151 if you have any questions.

Sincerely,

Kelly Rathbun, Manager
