**RE: Docket UT - 060762  
Advice # 24 – Washington Exchange Carrier Association**

Fifteenth Revision of Sheet No. 9 Canceling Fourteenth Revision of Sheet No. 9  
Seventh Revision of Sheet No. 9.1 Canceling Sixth Revision of Sheet No. 9.1

Dear Mr. Danner:

Washington Exchange Carrier Association (WECA) submits herewith the original and three copies of the revisions to Washington Exchange Carrier Association Tariff WN U-1 as referenced above. Attached are a redacted and an unredacted copy of the workpapers supporting the tariff filing. The enclosed sheets are filed on a confidential basis because they contain company-specific proprietary data, the disclosure of which could be detrimental to the company and provide competitors with access to competitively sensitive data. The information should not be disclosed without the written consent of the affected companies.

Also attached is an Excel file of the unredacted version of the workpapers.

This filing adjusts the WCAP revenue objective of Westgate Communications LLC, d/b/a WeavTel, to \$38,623. The WCAP revenue objective for WeavTel will be handled as directed by the Commission in its most recent order in Docket UT-060762. The WCAP revenue objectives and projected access minutes for other Washington LECs have been updated to reflect 2007 calendar year data.

As a result of these changes, the Interim USF rate will decrease from \$.05867 to \$.05791 per terminating rated CCL access minute. The enclosed tariff pages have a stated effective date of March 1, 2009.

Mr. Robert Smith is authorized to issue the tariff sheets on behalf of the member companies. Mr. Craig Phillips is authorized by WECA to file the revised tariff sheets with the WUTC.

If you have any questions concerning the filing, please contact me at (360) 690-4535.

Sincerely,

A handwritten signature in black ink, appearing to read "Craig Phillips". The signature is written in a cursive style with a large initial "C".
