FIRE FLOW AGREEMENT

THIS AGREEMENT is entered into this 26th day of JANUARY, 2009, between **RAINIER VIEW WATER CO., INC.**, a corporation organized under the laws of the State of Washington, hereinafter referred to as the "Owner," and **SPANAWAY CHRISTIAN CENTER**, a **NON-PROFIT CORPORATION** under the laws of the State of Washington, hereinafter referred to as "Developer."

RECITAL

1. Developer owns real property, described on Exhibit A, attached hereto and incorporated by this reference (the "Property"). The Developer is intending to construct a church on the Property. Developer desires to have fire flow service to the Property provided by Owner.

Parcel Number: 0318112049
Site Address: 2201 215th St E
Spanaway, WA

2. Owner owns and operates a public water system in Pierce County, Washington, and desires to provide fire flow service to Developer under the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of mutual promises and benefits to be derived, it is hereby agreed as follows:

AGREEMENT

1. Owner agrees to provide fire flow service to Developer's Property (the "Services"). Provision of the Services means that Owner has capacity sufficient to provide fire flow to Developer's Property and will certify to state and local regulatory agencies as such. By providing such Services, Developer is then able to develop its property to the business advantage of Developer.

2. Developer shall construct, at its own discretion, its own fire prevention system on Developer's Property. Developer is providing and constructing such system, or choosing not to construct such system, based upon Developer's own knowledge and for Developer's own purposes. Developer will retain ownership and be responsible for the maintenance and operation of the fire prevention system.

3. Owner shall provide to Developer a service connection appropriate for the size of the Developer's lines serving the fire flow protection system constructed by Developer. Said service connection shall be used only for the provision of fire flow and shall not be used for any other purpose, including, but not limited to, domestic water service. Developer shall pay for fire flow service at the following rate:

- a. In accordance with the Owner's current tariff the monthly recurring rate at this time, shall be \$0.006 per square foot as measured by the exterior dimensions of the buildings on the Property, which dimensions shall be provided by Developer to Owner.
- b. Owner's normal non-recurring charge of 6 ERU's per acre calculated at \$1,210.00 per ERU with the Developer's property constituting 3.5 acres for a total of 102 ERUs.

21 ERU's @ \$1,210 = \$25,410

4. Developer covenants and agrees that it shall be responsible for maintaining the back flow prevention and leak detection device in working order. The back flow prevention and leak detection device shall be inspected and tested at Developer's expense by Washington Certified Back Flow Assembly Tester as required under WAC 246-290-490. The Developer may contract for the back flow certification with any Washington Certified Back Flow Assembly Tester. A copy of satisfactory certification will be provided to Owner prior to the date of providing service under this Agreement and on an ongoing basis as testing certifications are required by state law and regulation. The back flow prevention and leak detection device shall be accessible to the Owner and its employees and agents at all times.

5. DEVELOPER SHALL INDEMNIFY AND HOLD OWNER AND OWNER'S DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS HARMLESS FROM ANY CLAIM FOR DAMAGE TO PROPERTY OR PERSONAL INJURY OR DEATH RESULTING FROM OR IN CONNECTION WITH THE WORK DONE UNDER THIS AGREEMENT OR THE SERVICES PROVIDED UNDER THIS AGREEMENT, INCLUDING ATTORNEY'S FEES AND COURT COSTS, EXCEPT THAT WHICH IS THE RESULT OF THE GROSS NEGLIGENCE OF OWNER OR A VIOLATION OF CHAPTER 19.122 RCW BY THE OWNER.

6. Developer understands and agrees that Owner is not acting as an insurer of Developer or Developer's Property or property of others on the Property. Owner shall not be liable for any loss of life, personal injury or loss or damage to Property of Developer, its employees, agents, guests or invitees whether or not caused by failure of the Services and Developer shall hold Owner and Owner's directors, officers, employees and agents harmless from any such claim. Owner makes no warranties or representations as to performance of the Services.

7. THE PARTIES AGREE THAT THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ARE EXCLUDED FROM THIS TRANSACTION AND SHALL NOT APPLY TO ANY SERVICES PROVIDED. SECTIONS 5, 6 AND 7 ALL FORM THE BASIS UPON WHICH OWNER IS WILLING TO PROVIDE THE SERVICES AND OWNER WOULD NOT ENTER INTO THIS AGREEMENT EXCEPT ON THE BASIS OF THE ENFORCEABILITY OF THESE SECTIONS 5, 6 AND 7.

8. This Agreement does not create any relationship or obligation to any person or entity other than Developer. The only relationship created between Owner and Developer is the obligations of Developer and Owner expressly set forth herein.

9. Nothing in this Agreement entitles Developer or Developer's successors or assigns to connect to Owner's water system, including the Services, except in accordance with the terms, conditions and charges in Owner's tariff filed with the Washington Utilities and Transportation Commission, which tariff includes a monthly recurring charge for the services.

10. The price for the Services is set expressly on the disclaimer of warranties and limitation on liability set out in this Agreement and the disclaimer of warranties and limitations on liability are essential parts of the bargain and this Agreement.

11. Miscellaneous.

a. Jurisdiction. This Agreement is made with reference to and is intended to be construed in accordance with the laws of the State of Washington. The parties agree that the venue for any suit brought hereunder shall be laid exclusively in Pierce County, Washington.

e. Attorney's Fees. In the event that any party hereto retains an attorney to enforce any of the provisions hereof, then the prevailing party shall be entitled to reasonable attorney's fees incurred in both trial and appellate courts, or fees incurred without suit and all court and accounting costs.

f. Time. Time is expressly declared to be of the essence in this Agreement.

g. Survival. All of the obligations (except to the extent performed), warranties and representations in this Agreement shall survive the closing.

- i. **Waiver.** No failure on the part of either party to exercise, and no delay in exercising, any rights hereunder shall operate as a waiver thereof; nor shall any waiver or acceptance of a partial, single or delayed performance of any term or condition of this Agreement operate as a continuing waiver or a waiver of any subsequent breach thereof.

- l. **Entire Agreement.** The terms of this Agreement constitute the entire understanding of Developer and Owner. Any other statement or representation, whether in writing or verbal, is expressly disclaimed and is not a part of this Agreement unless set forth herein.
- m. **Survival.** Paragraphs 5, 6, 7, 10 and 12 shall survive closing or termination of this Agreement. Any other provision which by its terms is reasonably intended to survive closing or termination of this Agreement shall do so.

12. 13. By signing this Agreement, Developer warrants that it is a non-profit corporation in good standing in the State of Washington, that the person signing on Developer's behalf is authorized to do so and shall bind Developer and that execution of this Agreement shall not put Developer in breach of any other agreement, including, but not limited to, financing or security arrangements.
