Re: Request for 60 day extension for filing 2008 Annual Report

Point Recycling and Refuse Company is requesting a 90 day extension for filing complete 2008 Annual Reports. The reason for this extension is that Point Recycling is still in the process of closing the 2008 Financial Reports. WUTC Staff have made a substantial Data Request to the Company for Year 2007 which is due April 24th. The Company needs an extension of the 2008 Annual Report deadline to comply with the Staff request and expected additional Data Requests related to Docket # TG-080913/TG-081089/TG-082129 consolidated.

Enclosed is payment for what the company expects for 2008 regulatory fees.

Sincerely,

ARTHUR WILKOWSKI
