Revenue Accountant

Dear Rae Lynn,

Master Call Communications Inc (Dept. 602306514 ) is requesting extension to its filing period for Annual Return to June 30, 2009 because our company took extension for filing Tax return.

Please be advised that following several shifts in our recordkeeping personnel in the department responsible for maintaining records and subsequent preparation for filing have encountered issues that are impacting our ability to provide Annual Return in a timely manner. Similar requests for extension were filed with the Federal Communications Commission and the Internal Revenue Service; both of those requests were granted.

We see no reason for the necessary data not to be accumulated, processed and presented by the requested date of June 30<sup>th</sup> 2009.

Should you have any questions please contact Sofiya Volovaya at 212-324-1221 x 252

Thank you,  
Rouslan Tsoutiev
