Environmental Remediation Report for the Six-Months ending March 31, 2009**

Dear Mr. Danner:

In accordance with WAC 480-100-275, enclosed for filing are an original and one (1) copy of PacifiCorp's, dba Pacific Power, ("PacifiCorp" or the "Company") quarterly report for Washington operations, for the quarter ending March 31, 2009. The Washington jurisdiction quarterly results of operations are based on unadjusted data and do not reflect normalized results of operations, or other standard ratemaking adjustments. The quarterly results of operations were determined using the West Control Area allocation methodology. PacifiCorp was granted a 30-day extension of time to file these reports in UE-072123, Order No. 01.

Also enclosed are an original and one (1) copy of PacifiCorp's Semi-Annual Environmental Remediation Report submitted in compliance with Docket No. UE-031658, Order No. 01 for the six months ending March 31, 2009, and an original and one (1) copy of Pacific Power's Average Customer Count and kWh data for its Washington jurisdiction for the quarter ending March 31, 2009. The Remediation Report includes environmental remediation expenditures for non-major and major projects pursuant with the Order.
