Re: Schedule T "Customer-Owned Natural Gas Transportation Service"

Dear Mr. Danner:

Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), files herewith the following revision to its Tariff, WN U-6, stated to become effective on less than statutory notice, with service on and after **July 31, 2009**:

Second Revision of Sheet T.6,
"Customer-Owned Natural Gas Transportation Service (continued)".

This tariff sheet revision is filed as a result of discussions between the Company and the Northwest Industrial Gas Users (NWIGU) and is related to the Comprehensive Housekeeping Filing, NWN Advice No. WUTC 09-6, UG-091027, and the replacement sheets filed July 15, 2009 under NWN Advice No. WUTC 09-6A. This tariff sheet revision is filed separate from Advice No. WUTC 09-6A only because it is a new tariff sheet revision that was not a part of the Company's original filing.

The Company respectfully requests that the tariff sheet filed herewith be permitted to become effective with service on and after July 31, 2009 coincident with the effective date of tariff sheet revisions filed under Advice No. WUTC 09-6 and WUTC 09-6A. A request for approval on less than statutory notice is enclosed.

A copy of the filing is available for public inspection in the Company's main office in Portland, Oregon and on its website at www.nwnatural.com.

As required by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of NW Natural.
