Dear Commissioners:

This filing is submitted by: Couse's Sanitation & Recycle, Inc., G-169.

This filing proposes a general rate increase. This increase is necessary to offset increased disposal site fees, increases due to employee raises and benefits, fuel, swapping roll off apparatus to different truck, and taxes.

In addition to the general rate increase, we are adding a new 1 yard container service.

As required by Commission rules, a copy of this transmittal letter will be mailed to the County Commissioners, and no cities are impacted by this filing. We will be mailing customers notices to all affected customers on We will file a copy of the customer notice with your office at the same time.

If you have questions regarding this filing, please contact Shirley Couse.

 RECORDS MANAGEMENT

I do not have a depreciation schedule at this time. My accountant home was damaged by wildfire and she is cleaning up so will get the information to me as soon as possible.

I have never done some of the work required, like pro-forma statements and I am not sure if I can. We are too far away from consultants, so I could use your help in doing that paperwork. I hope I have given you the necessary adjustments figures.

Thank you in advance for any assistance you can give me to make this filing complete.

I will be emailing my customer notice letter as soon as you can tell me what the dates are going to be that need to be put in the letter regarding the hearing information.

Sincerely,

SHIRLEY A. COUSE, Sec/Treas
