RE: Mashell Telecom, Inc. ILEC Tariff WN U-3  
Advice Letter – Fourth Revised Sheet No. 212

Dear Ms. Washburn:

Attached is an electronic PDF File containing the above referenced Tariff sheet. The changes included on this sheet are summarized as follows:

- Effective December 1, 2009, the Company's affiliate CLEC will not be offering one free Directory Assistance or 411 inquiry per month to its Intrastate customers. Since there was previously a reference to that free inquiry on this Tariff sheet, we are revising this sheet to reflect that change. Other verbiage has been added to provide the URL of the affiliate's website where its Price Lists are located.

The reasons for the affiliate CLEC making this change are that the affiliate's wholesale provider does not provide any free inquiries, so the affiliate has a cost associated with each inquiry. Also, there are now alternative, free services presently available via the Internet or a toll-free call where customers can get directory listing information at no charge if they wish. 30-days notice of this change is being provided to all customers.

Should you have any questions regarding the attached filing, I can be reached at 360-623-4555.

Sincerely,

A handwritten signature in black ink that reads 'Mark A. Carrier'. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
