**RE: McDaniel Telephone Company
Add DID Rates to ISDN-PRI**

Dear Ms. Washburn:

Please find enclosed the following tariff pages:

Schedule 8 WN U-4 First Revised Sheet 104.2

The purpose of this filing is to add DID Rates to the Integrated Services Digital Network (SDN) Primary Rate Interface (PRI) tariff. The DID rates were inadvertently omitted back when ISDN-PRI was initially filed. Our costs are minimal as they are related primarily to the software. Our revenue projections for the upcoming year are expected to be \$300.00 with an additional \$300.00 consecutively for the next 3-4 years.

The proposed effective date is December 9, 2009.

If you have any questions, please contact me at (608) 664-4186.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kris A. Groth", written over a horizontal line.
