**Attachments:** Rose St - RR Crossing Preliminary Layout - 1 of 2.pdf; Rose St - RR Crossing Preliminary Layout - 2 of 2.pdf; RR - pictures.pdf

Kathy,

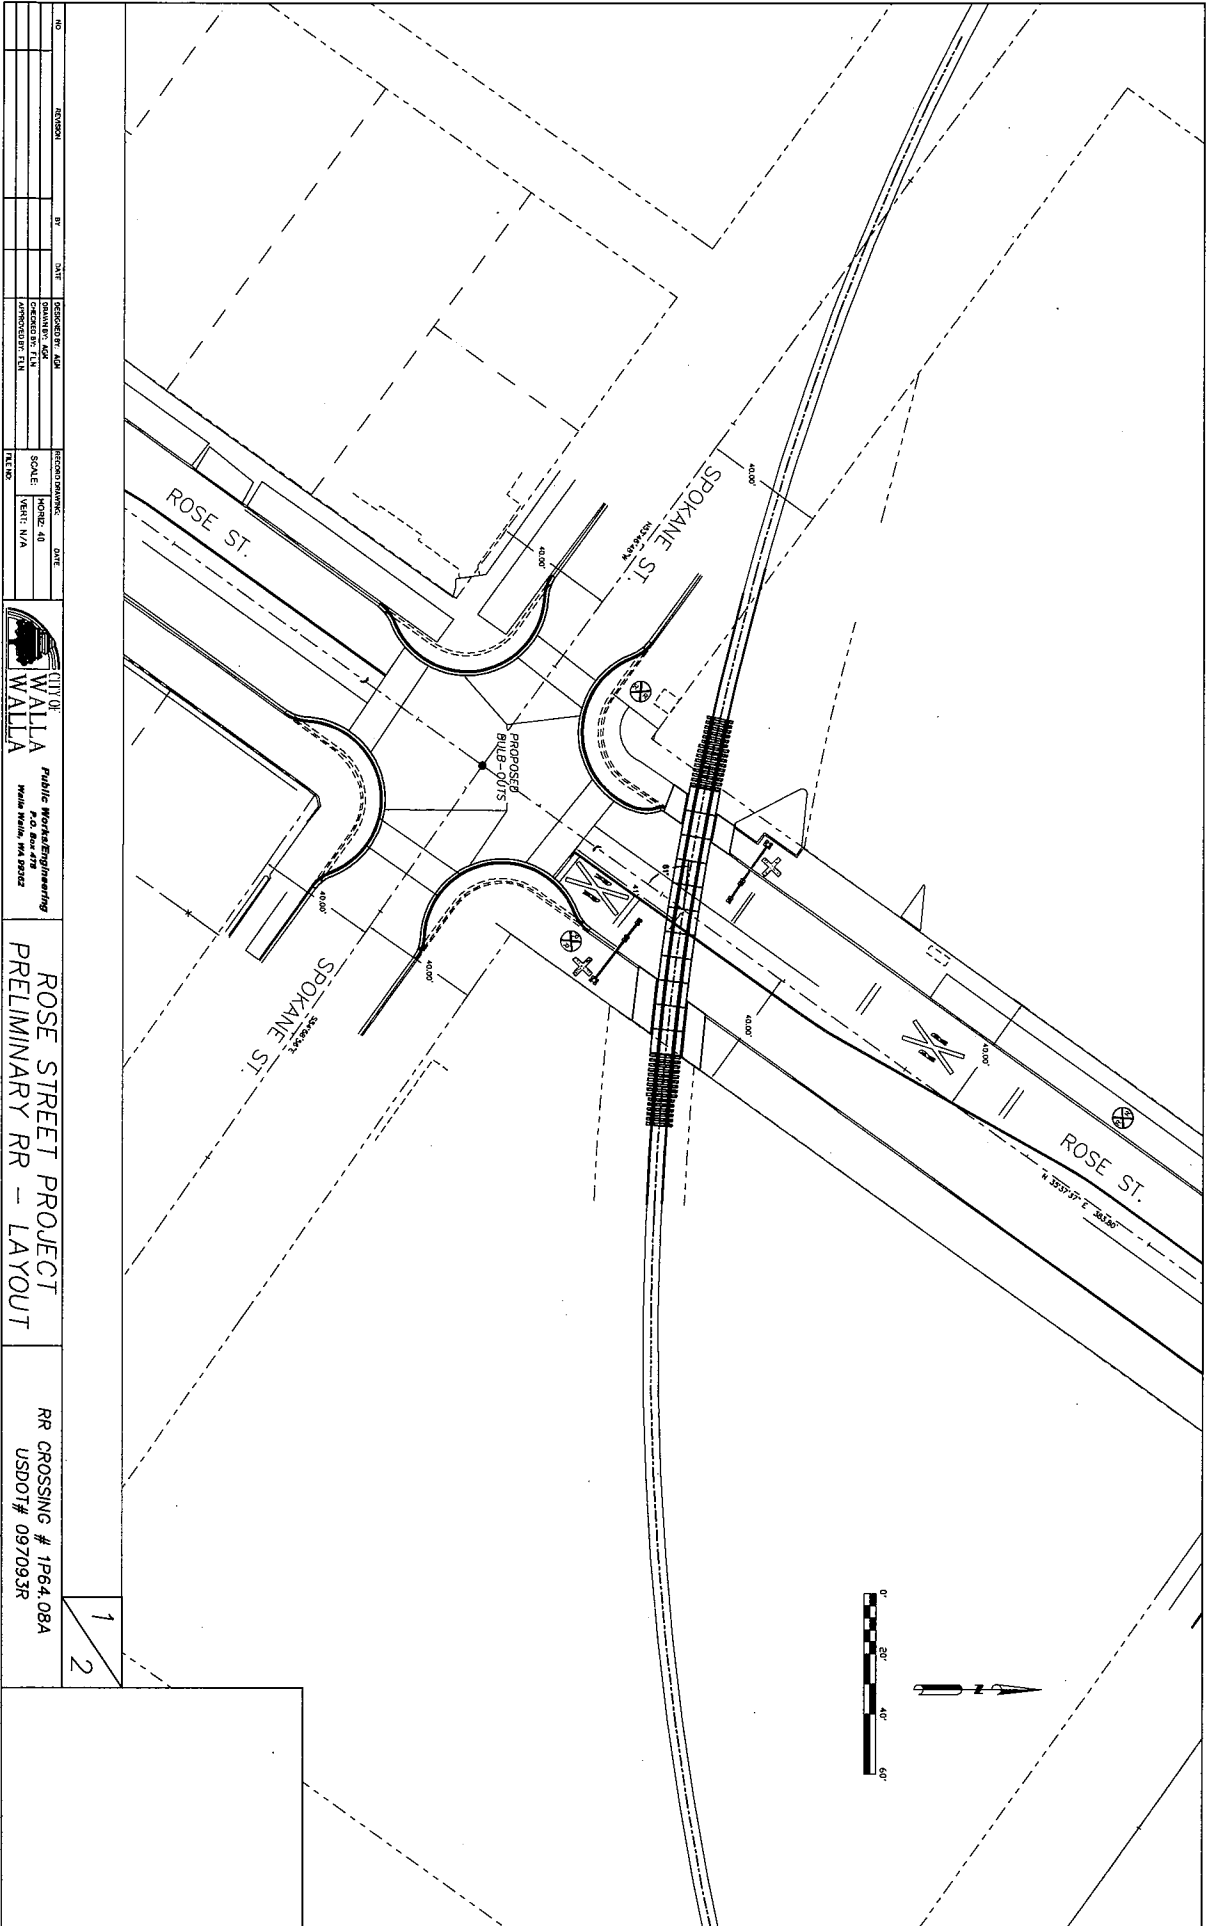

Per your request, please find attached the preliminary layout of the above mentioned crossing with proposed sidewalks. I'm also attaching more pictures to better illustrate the current conditions of crossing.

Please let me know if you need anything else to move forward with the petition/order process.

Thanks,

Tony Garcia Morales, EIT
