Dear Mr. Seabeck,

We have received your request that, under Section 252(i) of the Telecommunications Act of 1996, Computer 5*, Inc. A Washington Corporation d/b/a LocalTel Communications ("CLEC") wishes to adopt in its entirety, the terms of the Wireline Interconnection Agreement and any associated amendments, if applicable, (the "Underlying Agreement") between Eschelon Telecom of Washington, Inc. (Agreement # CDS-090226-0001) and Qwest Corporation ("Qwest"), that was approved by the Commission on April 2, 2009, as an effective agreement in the State of Washington. CLEC is incorporated in the State of Washington. We understand you have a complete copy of the Underlying Agreement.

By their respective signatures below, Qwest and CLEC ("the Parties") intend that this letter serves as their agreement ("Letter Agreement") for CLEC to adopt the Underlying Agreement under the following terms and conditions:

1. The Parties shall request the Commission to expedite its review and approval of this Letter Agreement. This Letter Agreement shall become effective upon such approval. If for some reason the Commission rejects all or part of the Letter Agreement either party may at its option declare the remainder of the Agreement void and be excused from any performance thereunder. In the event that the Parties currently have an existing Interconnection Agreement, once this Letter Agreement is approved by the Commission, the Underlying Agreement shall replace the existing Interconnection Agreement in its entirety for the state of Washington. However, nothing relieves the CLEC from fulfilling all obligations incurred under the prior Agreement. This Letter Agreement is not intended to address or affect the existing Commercial Agreements for Internetwork Calling Name (ICNAM) Service Agreement or the Qwest Local Service Platform (QLSP) Agreement, which shall remain in effect.

2. Notwithstanding the mutual commitments set forth herein, Qwest is entering into this Letter Agreement without prejudice to any positions it has taken previously, or may take in the future, in any legislative, regulatory, or other public forum addressing any matters, including those relating to the types of arrangements contained in the Underlying Agreement. During the proceeding in which the Commission is to review and approve the Letter Agreement, Qwest may point out that it has objected, and continues to object, to the inclusion of the terms and conditions to which it objected in the proceedings involving the approval of the Underlying Agreement.

3. CLEC adopts the terms and conditions of the Underlying Agreement for interconnection with Qwest Corporation and in applying the terms and conditions, agrees that Computer 5*, Inc. A Washington Corporation d/b/a LocalTel Communications be substituted in place of "Eschelon Telecom of Washington, Inc." throughout the Underlying Agreement wherever the latter appears.
