Dear Mr. Scruggs,

We have received your request that, under Section 252(i) of the Telecommunications Act of 1996, NW Telecom, LLC ("NWT") wishes to adopt in its entirety, the terms of the Wireline Interconnection Agreement and any associated amendments, if applicable, (the "Underlying Agreement") between Global Crossing Local Services, Inc. (Agreement # CDS-071012-0008) and Qwest Corporation ("Qwest"), that was approved by the Commission on April 22, 2008, as an effective agreement in the State of Washington. NWT is incorporated in the State of Washington. We understand you have a complete copy of the Underlying Agreement.

By their respective signatures below, Qwest and NWT (individually, a "Party," or collectively, the "Parties") intend that this letter serves as their agreement ("Letter Agreement") for NWT to adopt the Underlying Agreement under the following terms and conditions:

1. The Parties shall request the Commission to expedite its review and approval of this Letter Agreement. This Letter Agreement shall become effective upon such approval. If for some reason the Commission rejects all or part of the Letter Agreement either Party may at its option declare the remainder of the Agreement void and be excused from any performance thereunder.
2. Notwithstanding the mutual commitments set forth herein, Qwest is entering into this Letter Agreement without prejudice to any positions it has taken previously, or may take in the future, in any legislative, regulatory, or other public forum addressing any matters, including those relating to the types of arrangements contained in the Underlying Agreement. During the proceeding in which the Commission is to review and approve the Letter Agreement, a Party may point out that it has objected, and continues to object, to the inclusion of the terms and conditions to which it objected in the proceedings involving the approval of the Underlying Agreement.
3. NWT adopts the terms and conditions of the Underlying Agreement for interconnection with Qwest Corporation and in applying the terms and conditions, agrees that NW Telecom, LLC be substituted in place of "Global Crossing Local Services, Inc." throughout the Underlying Agreement wherever the latter appears.
4. Qwest requests that notice to Qwest Corporation as may be required under the Underlying Agreement shall be provided as follows:
