Dear Ms. Washburn:

Attached is an electronic PDF File containing the above referenced revised Tariff sheets. The changes included on these sheets are summarized as follows:

- Effective March 1, 2010 Customers who have any type of Internet service with the Company or its CLEC affiliate and therefore are able to receive electronic billing notifications and view their bills online will be charged a \$2.00 monthly fee if they wish to receive a paper bill. Mashell is implementing this policy to promote paperless billing, eliminate excess paper waste to protect our environment and improve the billing process, allowing customers to receive their monthly statements as timely and efficiently as possible. Customers who only have telephone service and do not subscribe to any type of Internet service through the Company or its CLEC affiliate will not be charged this fee.
