Subject: ESB 5894 Forbearance

Washington State Utilities & Transportation Commission:

To Whom it May Concern:

Dear Sirs:

Please consider this a request for rate and service deregulation pursuant to ESB 5894. Agate Pass Transportation, LLC, d/b/a Bus Up (C-63581) services are used for recreational purposes only, and therefore I believe qualify for this forbearance.

Thank you for your consideration.
