RE: Passenger Rules update for All Ways Transportation, Inc., Certificate No. C-1085.

Dear Mr. Danner:

WUTC staff has identified that our tariff needed updating with rules that discussed payment prior to providing the service and refunds for unused and partially used tickets.

The enclosed tariff update complies with the rules stated in WAC 480-30-356 (d).

Sincerely

Delores Weza
C.E.O. / President
