Tariff Rate Filing

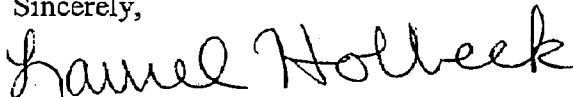

Dear Ms. Washburn:

Please find enclosed Sheet # 22, 22.1 and our customer notice. The company wished to add a 6 inch meter to our tariff that was overlooked in our January 2010 filing with the commission.

We have asked for an effective date of May 1, 2010 and understand there is a 30-day review period and our tariff should become effective at the end of that time.

Please call me at (360) 387-6409 if you have any questions.

Sincerely,

Laurel Holbeck, Vice President
Camano Hills Water Co., Inc.
