Certificate No. BC-117  
Tariff No. 43 – Seattle to Friday Harbor  
Service 2010

Dear Mr. Danner:

Enclosed for filing are the following:

1. Tariff/Schedule No. 43; and
2. Public Notice which has been posted today.

Please accept this Tariff and Time Schedule No. 43 for consideration. The only change to the “schedule” portion is the use of 2010 calendar dates. The timing of departures and arrivals remains the same. The revision to the “fares” portion is to establish classifications of discounted rates for qualifying groups, new school field trip fares and military personnel. All other previously existing passenger fares and freight tariffs remain the same as the previous submission. The only change to the “terms” portion is the insertion of paragraphs 12-14 regarding groups, school field trips and military.

Thank you for your assistance. If you have any questions regarding the enclosed materials please contact me.

Sincerely,

Darrell E. Bryan  
President and CEO  
San Juan Express, Inc.
