Dear Mr. Danner,

I am requesting an extension to file the Oasis Water Corporation 2009 Annual Report.

The individual who works with us in preparing our accounting and tax filing documents has had some personal difficulties during the past few weeks. We expect to have the report completed within the month of May.

We were able to calculate the filing fee and payment is enclosed.

Should you have any questions please do not hesitate to give me a call.

Sincerely,

Paul Christensen, President
