I. ORGANIZATION

PacifiCorp, which includes PacifiCorp and its subsidiaries, is a United States regulated electric company serving 1.7 million retail customers, including residential, commercial, industrial and other customers in portions of the states of Utah, Oregon, Wyoming, Washington, Idaho and California. PacifiCorp owns, or has interests in, 78 thermal, hydroelectric, wind-powered and geothermal generating facilities, with a net owned capacity of 10,483 megawatts. PacifiCorp also owns, or has interests in, electric transmission and distribution assets, and transmits electricity through approximately 15,900 miles of transmission lines. PacifiCorp also buys and sells electricity on the wholesale market with public and private utilities, energy marketing companies and incorporated municipalities as a result of excess electricity generation or other system balancing activities. PacifiCorp is subject to comprehensive state and federal regulation.

PacifiCorp's principal executive offices are located at 825 N.E. Multnomah Street, Suite 2000, Portland, Oregon 97232, and its telephone number is (503) 813-5000. PacifiCorp was initially incorporated in 1910 under the laws of the state of Maine under the name Pacific Power & Light Company. In 1984, Pacific Power & Light Company changed its name to PacifiCorp. In 1989, it merged with Utah Power and Light Company, a Utah corporation, in a transaction wherein both corporations merged into a newly-formed Oregon corporation. The resulting Oregon corporation was re-named PacifiCorp, which is the operating entity today.

PacifiCorp's subsidiaries support its electric utility operations by providing coal mining facilities and services and environmental remediation services. PacifiCorp delivers electricity to customers in Utah, Wyoming and Idaho under the trade name Rocky Mountain Power and to customers in Oregon, Washington and California under the trade name Pacific Power. PacifiCorp's electric generation, commercial and trading, and coal mining functions are operated under the trade name PacifiCorp Energy.

PacifiCorp is an indirect subsidiary of MidAmerican Energy Holdings Company ("MEHC"), a holding company based in Des Moines, Iowa, that owns subsidiaries principally engaged in energy businesses. MEHC is a consolidated subsidiary of Berkshire Hathaway Inc. ("Berkshire Hathaway"). MEHC controls substantially all of PacifiCorp's voting securities, which include both common and preferred stock.

I. C. Affiliate Descriptions

A narrative description of each affiliated entity with which the regulated utility does business. State the factor(s) giving rise to the affiliation.

Narrative Descriptions for Each Affiliated Entity

Affiliated interests of PacifiCorp are defined by ORS 757.015, RCW 80.16.010 and California Public Utilities Commission Decision 97-12-088, as amended by Decision 98-08-035, as having two or more officers or directors in common with PacifiCorp, or by meeting the ownership requirements of 5% direct or indirect ownership.

In the ordinary course of business, PacifiCorp engaged in various transactions with several of its affiliated companies during the year ended December 31, 2009. Services provided by PacifiCorp and charged to affiliates related primarily to administrative services, financial statement preparation and direct-assigned employees, as well as wholesale energy sales. Services provided by affiliates and charged to PacifiCorp related primarily to the transportation of natural gas and coal, wholesale energy purchases, captive insurance services, relocation services, and administrative services provided under the Intercompany Administrative Services Agreement (“IASA”) among MEHC and its affiliates. Refer to Section V for a discussion of the tax allocation agreement between PacifiCorp and its affiliates.

PacifiCorp provides electricity to certain affiliates within its service territory at tariff rates. Such transactions are excluded from this report. Due to the volume and breadth of the Berkshire Hathaway family of companies, it is possible that employees of PacifiCorp have made purchases from certain Berkshire Hathaway affiliates not listed here, and have been reimbursed by PacifiCorp for those purchases as a valid business expense. PacifiCorp does not believe those transactions would be material individually or in aggregate.

BNSF Railway Company (“BNSF Railway”) – At December 31, 2009, Berkshire Hathaway held a 22.5% ownership interest in Burlington Northern Santa Fe Corporation. On February 10, 2010, Berkshire Hathaway acquired the remaining 77.5% of Burlington Northern Santa Fe Corporation’s outstanding common stock and changed its name to Burlington Northern Santa Fe, LLC (“BNSF”). As of February 10, 2010, BNSF is an indirect wholly owned subsidiary of Berkshire Hathaway. PacifiCorp has long-term coal transportation contracts with BNSF Railway, a principal operating subsidiary of BNSF, including indirectly through a generation plant that is jointly owned by PacifiCorp and another utility, as well as right-of-way agreements.

Marmon is an international association of numerous manufacturing and service businesses in energy-related and other markets. Certain Marmon affiliates provide equipment parts and repairs to PacifiCorp in the normal course of business.

This includes production and service related to the sale and application of chemicals and technology used in water treatment, pollution control, energy conservation, oil production and refining, steelmaking, papermaking, mining, and other industrial processes. Nalco provides water treatment services for PacifiCorp.

NetJets Inc. (“NetJets”) - a wholly owned subsidiary of Berkshire Hathaway and a private aviation company. PacifiCorp provides administrative services to MidAmerican Energy Holdings Company “MEHC,” the ultimate beneficiary of which is NetJets.

Constellation Energy Group, Inc. (“Constellation”) – On December 17, 2008, MEHC and Constellation agreed to terminate a merger agreement that was entered into in September 2008. As a result of the termination, among other things, MEHC received 19.9 million shares of Constellation’s common stock,

representing 9.99% of outstanding shares. As a result, Constellation became a PacifiCorp affiliate on December 17, 2008. On June 1, 2009, MEHC sold all of its shares of Constellation's common stock, at which point Constellation ceased being an affiliate of PacifiCorp. Accordingly, this report reflects transactions between PacifiCorp and Constellation that occurred between January 1, 2009 and May 31, 2009. During this time period, Constellation Energy Commodities Group, Inc., a subsidiary of Constellation, purchased wholesale energy and transmission services from PacifiCorp, and sold wholesale energy to PacifiCorp.

As of January 31, 2009, Berkshire Hathaway owned approximately 89.5% of MEHC's common stock. The remainder of MEHC's common stock is owned by a private investor group that includes Walter Scott, Jr.,⁽¹⁾ a director of MEHC (6.3% ownership interest as of January 31, 2010) and Gregory E. Abel, PacifiCorp's Chairman of the Board of Directors and Chief Executive Officer (0.8% ownership interest as of January 31, 2010). MEHC and its subsidiaries provide management and administrative services to PacifiCorp under the IASA. PacifiCorp also provides management and administrative services to MEHC and its subsidiaries and its unconsolidated investments under the IASA. Refer to Section VII for further discussion.

⁽¹⁾ Excludes 2,528,000 shares held by family members and family controlled trusts and corporations, or Scott Family Interests, as to which Mr. Scott disclaims beneficial ownership.

Kern River's transportation operations are subject to a regulated tariff that is on file with the Federal Energy Regulatory Commission (the "FERC"). Kern River provides services for the transportation of natural gas to certain of PacifiCorp's generating facilities in Utah.

MEHC Insurance Services Ltd. ("MISL") – a wholly owned subsidiary of MEHC that provides a captive insurance program to PacifiCorp. MISL covers all or significant portions of the property damage and liability insurance deductibles in many of PacifiCorp's current policies, as well as overhead transmission and distribution ("T&D") line property damage. Claims for T&D property, after an aggregate deductible of \$5 million, are capped at \$10 million per annual policy coverage period. Claims for non-T&D property, after a \$1.5 million deductible, are capped at \$6 million per occurrence. Claims for general liability, after a \$250,000 deductible, are capped at \$750,000 per occurrence. PacifiCorp has no equity interest in MISL and has no obligation to contribute equity or loan funds to MISL. Premium amounts are established based on a combination of actuarial assessments and market rates to cover loss claims, administrative expenses and appropriate reserves, but as a result of regulatory commitments are capped through December 31, 2010. Certain costs associated with the program are prepaid and amortized over the policy coverage period lapsing March 20, 2010.

PPW Holdings LLC – the holding company for PacifiCorp and direct subsidiary of MEHC. PPW Holdings LLC remits income taxes to MEHC on behalf of PacifiCorp.

PacifiCorp

Cost Allocation Manual

For the Year Ended December 31, 2009

Overview/Introduction

This section describes the allocation of costs between PacifiCorp and its non-regulated affiliates.

On March 31, 2006, PacifiCorp entered into an Intercompany Administrative Services Agreement (“IASA”) between MEHC and its subsidiaries. PacifiCorp is an indirect subsidiary of MEHC, a holding company based in Des Moines, Iowa, owning subsidiaries that are primarily engaged in the energy business. Refer to attached IASA. The IASA covers:

- a) services by executive, management, professional, technical and clerical employees;
- b) financial services, payroll processing services, employee benefits participation, supply chain and purchase order processing services, tax and accounting services, contract negotiation and administration services, risk management services, environmental services and engineering and technical services;
- c) the use of office facilities, including but not limited to office space, conference rooms, furniture, equipment, machinery, supplies, computers and computer software, insurance policies and other personal property; and
- d) the use of automobiles, airplanes, other vehicles and equipment.

PacifiCorp’s Non-Regulated Activities and Affiliates

The following is a list of PacifiCorp’s Non-Regulated Activities:

- During the year ended December 31, 2009, PacifiCorp did not allocate costs to any non-regulated subsidiaries.
- During the year ended December 31, 2009, PacifiCorp was allocated costs by only one non-regulated affiliate: MEHC. Refer to section I.C. for a description of MEHC.

For PacifiCorp’s affiliates and subsidiaries that meet the requirements of ORS 757.015:

- Refer to section I for a list of PacifiCorp’s and a partial list of MEHC’s subsidiaries as of December 31, 2009. Refer to Exhibit 21.1 of the MEHC Form 10-K for a complete list of MEHC’s subsidiaries as of December 31, 2009.
- Refer to Exhibit 21 of the Berkshire Hathaway Form 10-K for a list of subsidiaries of MEHC’s parent company, Berkshire Hathaway, as of December 31, 2009.

Allocation Methods

MEHC to subsidiaries

In connection with the March 2006 acquisition of PacifiCorp by MEHC, MEHC committed to PacifiCorp’s state regulatory commissions to limit the amount of management fees that PacifiCorp pays to MEHC each year to \$9,000,000. This acquisition commitment expires December 31, 2010.

For the year ended December 31, 2009, MEHC invoiced PacifiCorp a total of \$11,568,011 in management service fees for services performed by MEHC and subsidiaries under the IASA. Pursuant to the commitment to state regulators, MEHC and PacifiCorp mutually agreed that PacifiCorp’s total liability to MEHC for management services provided for the year ended December 31, 2009 was a total of \$9,000,000. Refer to the attached IASA schedule for description of types of services provided. These services are based on the following:

- MEHC used six different formulae for allocating \$2,523,908 of management costs to PacifiCorp during the year ended December 31, 2009. These formulae are as follows:
 - L01: a two factor formula based on the labor and assets of each of MEHC's subsidiaries. PacifiCorp's allocation percentage during the year ended December 31, 2009 was 44.37%.
 - L01 excluding HomeServices of America, Inc.: the same two factor formula as L01, except excluding the labor and assets of HomeServices of America, Inc. PacifiCorp's allocation percentage during the year ended December 31, 2009 was 47.30%.
 - L03: the same two factor formula as L01, except excluding the labor and assets of MEHC's international subsidiaries. PacifiCorp's allocation percentage during the year ended December 31, 2009 was 50.33%.
 - L05: the same two factor formula as L03 except excluding the labor and assets of HomeServices of America, Inc. PacifiCorp's allocation percentage during the year ended December 31, 2009 was 54.41%.
 - LR1: a formula to allocate legislative and regulatory costs to each of MEHC's subsidiaries based on where the legislative and regulatory employees spent their time. PacifiCorp's allocation percentage during the year ended December 31, 2009 was 30%.
 - Plant: a formula based on the gross plant asset amounts of each of MEHC's subsidiaries. PacifiCorp's allocation percentage during the year ended December 31, 2009 was 46.34%.

- In addition to the above allocated costs, PacifiCorp was apportioned \$6,476,092 in costs specifically identifiable to the management of PacifiCorp by MEHC and subsidiaries. These charges were based on actual labor, benefits and operational costs incurred.

Direct Charges

During the year ended December 31, 2009, PacifiCorp charged MEHC \$1,380,059, primarily for management, regulatory and financial services performed for MEHC and certain of its subsidiaries and unconsolidated investments pursuant to the IASA. During the year ended December 31, 2009, these subsidiaries and unconsolidated investments were MidAmerican Energy Company, Kern River Gas Transmission Company, BYD Company Ltd., M&M Ranch Holding Company LLC, MidAmerican Nuclear Energy Company LLC, PPW Holdings LLC and Constellation Energy Group, Inc. These charges were based on actual labor, benefits and operational costs incurred. Please see "Payroll Loadings and Overheads" below.

During the year ended December 31, 2009, PacifiCorp charged MEHC for administrative services, the ultimate beneficiary of which was NetJets. Services provided outside of the IASA are priced consistent with state and federal transfer pricing rules.

Payroll Loadings and Overheads

PacifiCorp includes the following types of charges in its labor rates charged to affiliates: salaries, pension, 401(k), medical benefits, payroll taxes and other administrative and general overheads.

Service Provider and Administrative Allocations

INTERCOMPANY ADMINISTRATIVE SERVICES AGREEMENT

BETWEEN

MIDAMERICAN ENERGY HOLDINGS COMPANY

AND

ITS SUBSIDIARIES

This Intercompany Administrative Services Agreement ("Agreement") is entered into as of March 31, 2006 by and between MidAmerican Energy Holdings Company (hereinafter the "Company") and its direct and indirect subsidiaries (hereinafter the "Subsidiaries") (each a "Party" and together the "Parties").

WHEREAS, the Company provides senior management, executive oversight and other administrative services that provide value to and benefit the Subsidiaries as entities in the consolidated group;

WHEREAS, the Subsidiaries have access to professional, technical and other specialized resources that the Company may wish to utilize from time to time in the provision of such administrative services; and

WHEREAS, the Company and Subsidiaries may desire to utilize the professional, technical and other specialized resources of certain Subsidiaries;

NOW, THEREFORE, in consideration of the premises and mutual agreements set forth herein, the Company and Subsidiaries agree as follows:

ARTICLE 1. PROVISION OF ADMINISTRATIVE SERVICES

Upon and subject to the terms of this Agreement, services will be provided between and among the Company and its Subsidiaries that are not directly applicable to the production, distribution or sale of a product or service available to customers of the Company or its subsidiaries ("Administrative Services"). For purposes of this Agreement, Administrative Services shall include, but not be limited to the following:

- a) services by executive, management, professional, technical and clerical employees;
- b) financial services, payroll processing services, employee benefits participation, supply chain and purchase order processing services, tax and accounting services, contract negotiation and administration services, risk management services, environmental services and engineering and technical services;
- c) the use of office facilities, including but not limited to office space, conference rooms, furniture, equipment, machinery, supplies, computers and computer software, insurance policies and other personal property;
- d) the use of automobiles, airplanes, other vehicles and equipment;

To obtain specialized expertise or to achieve efficiencies, the following situations may arise under this Agreement whereby Administrative Services may be provided between and among the Company and its Subsidiaries:

- a) The Company may directly assign or allocate common costs to the Subsidiaries,
- b) The Company may procure Administrative Services from the Subsidiaries for its own benefit,
- c) The Company may procure Administrative Services from the Subsidiaries for subsequent allocation to some or all Subsidiaries commonly benefiting, or
- d) The Subsidiaries may procure Administrative Services from each other.

ARTICLE 2. DEFINITIONS

For purposes of this Agreement these terms shall be defined as follows:

- (a) "Laws" shall mean any law, statute, rule, regulation or ordinance.
- (b) "State Commissions" shall mean any state public utility commission or state public service commission with jurisdiction over a rate-regulated Party.
- (c) "Subsidiaries" shall mean current and future direct and indirect majority-owned subsidiaries of the Company.

ARTICLE 3. EFFECTIVE DATE

This Agreement shall be effective as of the date set forth above; provided, however, that in those jurisdictions in which regulatory approval is required before the Agreement becomes effective, the effective date shall be as of the date of such approval.

ARTICLE 4. CHARGES AND PAYMENT

- (a) CHARGES.

Parties shall charge for Administrative Services on the following basis:

- (i) Direct Charges: The Party receiving the benefit of Administrative Services ("Recipient Party") will be charged for the operating costs incurred by the Party providing the Administrative Services ("Providing Party"), including, but not limited to, allocable salary and wages, incentives, paid absences, payroll taxes, payroll additives (insurance premiums, health care and retirement benefits and the like), direct non-labor costs, if any, and similar expenses, and reimbursement of out-of-pocket third party costs and expenses.
- (ii) Service Charges: Costs that are impractical to charge directly but for which a cost/benefit relationship can be reasonably identified. A practical allocation method will be established by Providing Party that allocates the cost of this service equitably and consistently to the Recipient Party. Any changes in the methodology will be communicated in writing to rate-regulated subsidiaries at least 180 days before the implementation of the change.
- (iii) Allocations: Costs incurred for the general benefit of the entire corporate group for which direct charging and service charges are not practical. An allocation methodology will be established and used consistently from year to year. Any changes to the methodology will be communicated

in writing to rate-regulated subsidiaries at least 180 days before the implementation of the change.

The charges constitute full compensation to the Providing Party for all charges, costs and expenses incurred by the Providing Party on behalf of the Recipient Party in providing the Administrative Services, unless otherwise specifically agreed to in writing between the Parties.

If events or circumstances arise which, in the opinion of the Parties, render the costs of providing any Administrative Services materially different from those charged under a specific rate or formula then in effect, the specific rate or formulas shall be equitably adjusted to take into account such events or changed circumstances.

Providing Parties will bill each and all Recipient Parties, as appropriate, for Administrative Services rendered under this Agreement in as specific a manner as practicable. To the extent that direct charging for services rendered is not practicable, the Providing Party may utilize allocation methodologies to assign charges for services rendered to the Recipient Party, reflective of the drivers of such costs. Such allocation methodologies may utilize allocation bases that include, but are not limited to: employee labor, employee counts, assets, and multi-factor allocation formulae.

Any cost allocation methodology for the assignment of corporate and affiliate costs will comply with the following principles:

- i) For Administrative Services rendered to a rate-regulated subsidiary of the Company or each cost category subject to allocation to rate-regulated subsidiaries by the Company, the Company must be able to demonstrate that such service or cost category is reasonable for the rate-regulated subsidiary for the performance of its regulated operations, is not duplicative of Administrative Services already being performed within the rate-regulated subsidiary, and is reasonable and prudent.
- ii) The Company and Providing Parties will have in place positive time reporting systems adequate to support the allocation and assignment of costs of executives and other relevant personnel to Recipient Parties.
- iii) Parties must maintain records sufficient to specifically identify costs subject to allocation, particularly with respect to their origin. In addition, the records must be adequately supported in a manner sufficient to justify recovery of the costs in rates of rate-regulated subsidiaries.
- iv) It is the responsibility of rate-regulated Recipient Parties to this Agreement to ensure that costs which would have been denied recovery in rates had such costs been directly incurred by the regulated operation are appropriately identified and segregated in the books of the regulated operation.

(b) PAYMENT.

(i) Each Providing Party shall bill the Recipient Party monthly for all charges pursuant to this Agreement via billings to the Company. The Company, in its capacity as a clearinghouse for

intercompany charges within the Company shall aggregate all charges and bill all Recipient Parties in a single bill. Full payment to or by the Company for all Administrative Services shall be made by the end of the calendar month following the intercompany charge. Charges shall be supported by reasonable documentation, which may be maintained in electronic form.

(ii) The Parties shall make adjustments to charges as required to reflect the discovery of errors or omissions or changes in the charges. The Parties shall conduct a true-up process at least quarterly and more frequently if necessary to adjust charges based on reconciliation of amounts charged and costs incurred. It is the intent of the Parties that such true-up process will be conducted using substantially the same process, procedures and methods of review as have been in effect prior to execution of this Agreement by the Parties.

ARTICLE 5. GENERAL OBLIGATIONS; STANDARD OF CARE

Rate-regulated Parties will comply with all applicable State and Federal Laws regarding affiliated interest transactions, including timely filing of applications and reports. The Parties agree not to cross-subsidize between the rate-regulated and non-rate-regulated businesses or between any rate-regulated businesses, and shall comply with any applicable State Commission Laws and orders. Subject to the terms of this Agreement, the Parties shall perform their obligations hereunder in a commercially reasonable manner.

ARTICLE 6. TAXES

Each Party shall bear all taxes, duties and other similar charges except taxes based upon its gross income (and any related interest and penalties), imposed as a result of its receipt of Administrative Services under this Agreement, including without limitation sales, use, and value-added taxes.

ARTICLE 7. ACCOUNTING AND AUDITING

Providing Parties and the Company shall maintain such books and records as are necessary to support the charges for Administrative Services, in sufficient detail as may be necessary to enable the Parties to satisfy applicable regulatory requirements ("Records"). All Parties:

- (a) shall provide access to the Records at all reasonable times;
- (b) shall maintain the Records in accordance with good record management practices and with at least the same degree of completeness, accuracy and care as it maintains for its own records; and
- (c) shall maintain its own accounting records, separate from the other Party's accounting records.

Subject to the provisions of this Agreement, Records supporting intercompany billings shall be available for inspection and copying by any qualified representative or agent of either Party or its affiliates, at the expense of the inquiring Party. In addition, State Commission staff or agents may audit the accounting records of Providing Parties that form the basis for charges to rate-regulated subsidiaries, to determine the reasonableness of allocation factors used by the Providing Party to assign costs to the Recipient Party and amounts subject to allocation or direct charges. All Parties agree to cooperate fully with such audits.

ARTICLE 8. BUDGETING

In advance of each budget year, Providing Parties shall prepare and deliver to the Recipient Parties, for their review and approval, a proposed budget for Administrative Services to be performed during that year. The approved schedule of budgeted Administrative Services shall evidence the base level of Administrative Services. The schedule shall be updated at least annually. Each Party shall promptly notify the other Party in writing of any requested material change to the budget costs for any service being provided.

ARTICLE 9. COOPERATION WITH OTHERS

The Parties will use good faith efforts to cooperate with each other in all matters relating to the provision and receipt of Administrative Services. Such good faith cooperation will include providing electronic access in the same manner as provided other vendors and contractors to systems used in connection with Administrative Services and using commercially reasonable efforts to obtain all consents, licenses, sublicenses or approvals necessary to permit each Party to perform its obligations. Each Party shall make available to the other Party any information required or reasonably requested by the other Party regarding the performance of any Administrative Service and shall be responsible for timely providing that information and for the accuracy and completeness of that information; provided, however, that a Party shall not be liable for not providing any information that is subject to a confidentiality obligation owed by it to a person or regulatory body other than an affiliate of it or the other Party. Either Party shall not be liable for any impairment of any Administrative Service caused by it not receiving information, either timely or at all, or by it receiving inaccurate or incomplete information from the other Party that is required or reasonably requested regarding that Administrative Service. The Parties will cooperate with each other in making such information available as needed in the event of any and all internal or external audits, utility regulatory proceedings, legal actions or dispute resolution. Each Party shall fully cooperate and coordinate with each other's employees and contractors who may be awarded other work. The Parties shall not commit or permit any act, which will interfere with the performance of or receipt of Administrative Services by either Party's employees or contractors.

ARTICLE 10. COMPLIANCE WITH ALL LAWS

Each Party shall be responsible for (i) its compliance with all laws and governmental regulations affecting its business, including but not limited to, laws and governmental regulations governing federal and state affiliate transactions, workers' compensation, health, safety and security, and (ii) any use it may make of the Administrative Services to assist it in complying with such laws and governmental regulations.

ARTICLE 11. LIMITATION OF LIABILITY

Notwithstanding any other provision of this Agreement and except for (a) rights provided under Article 12 in connection with Third-Party Claims, (b) direct or actual damages as a result of a breach of this Agreement, and (c) liability caused by a Party's negligence or willful misconduct, no Party nor their respective directors, officers, employees and agents, will have any liability to any other Party, or their respective directors, officers, employees and agents, whether based on contract, warranty, tort, strict liability, or any other theory, for any indirect, incidental, consequential, special damages, and no Party, as a result of providing a Service pursuant to this Agreement, shall be liable to any other Party for more than the cost of the Administrative Service(s) related to the claim or damages.

ARTICLE 12. INDEMNIFICATION

Each of the Parties will indemnify, defend, and hold harmless each other Party, members of its Board of Directors, officers, employees and agents against and from any third-party claims resulting from any negligence or willful misconduct of a Party's employees, agents, representatives or subcontractors of any tier, their employees, agents or representatives in the performance or nonperformance of its obligations under this Agreement or in any way related to this Agreement. If a Third-Party claim arising out of or in connection with this Agreement results from negligence of multiple Parties (including their employees, agents, suppliers and subcontractors), each Party will bear liability with respect to the Third-Party Claim in proportion to its own negligence.

ARTICLE 13. DISPUTE RESOLUTION

The Parties shall promptly resolve any conflicts arising under this Agreement and such resolution shall be final. If applicable, adjustments to the charges will be made as required to reflect the discovery of errors or omissions in the charges. If the Parties are unable to resolve any service, performance or budget issues or if there is a material breach of this Agreement that has not been corrected within ninety (90) days, representatives of the affected Parties will meet promptly to review and resolve those issues in good faith.

ARTICLE 14. TERMINATION FOR CONVENIENCE

A Party may terminate its participation in this Agreement either with respect to all, or with respect to any one or more, of the Administrative Services provided hereunder at any time and from time to time, for any reason or no reason, by giving notice of termination at least sixty (60) days in advance of the effective date of the termination to enable the other Party to adjust its available staffing and facilities. In the event of any termination with respect to one or more, but less than all, Administrative Services, this Agreement shall continue in full force and effect with respect to any Administrative Services not terminated hereby. If this Agreement is terminated in whole or in part, the Parties will cooperate in good faith with each other in all reasonable respects in order to effect an efficient transition and to minimize the disruption to the business of all Parties, including the assignment or transfer of the rights and obligations under any contracts. Transitional assistance service shall include organizing and delivering records and documents necessary to allow continuation of the Administrative Services, including delivering such materials in electronic forms and versions as reasonably requested by the Party.

ARTICLE 15. CONFIDENTIAL INFORMATION/NONDISCLOSURE

To the fullest extent allowed by law, the provision of any Administrative Service or reimbursement for any Administrative Service provided pursuant to this Agreement shall not operate to impair or waive any privilege available to either Party in connection with the Administrative Service, its provision or reimbursement for the Administrative Service.

All Parties will maintain in confidence Confidential Information provided to each other in connection with this Agreement and will use the Confidential Information solely for the purpose of carrying out its obligations under this Agreement. The term Confidential Information means any oral or written information, (including without limitation, computer programs, code, macros or instructions) which is made available to the Company, its

Subsidiaries or one of its representatives, regardless of the manner in which such information is furnished. Confidential Information also includes the following:

a. All Information regarding the Administrative Services, including, but not limited to, price, costs, methods of operation and software, shall be maintained in confidence.

b. Systems used to perform the Administrative Services provided hereunder are confidential and proprietary to the Company, its Subsidiaries or third parties. Both Parties shall treat these systems and all related procedures and documentation as confidential and proprietary to the Company, its Subsidiaries or its third party vendors.

c. All systems, procedures and related materials provided to either Party are for its internal use only and only as related to the Administrative Services or any of the underlying systems used to provide the Administrative Services.

Notwithstanding anything in this Article 15 to the contrary, the term "Confidential Information" does not include any information which (i) at the time of disclosure is generally available to and known by the public (other than as a result of an unpermitted disclosure made directly or indirectly by a Party), (ii) was available to a Party on a non-confidential basis from another source (provided that such source is not or was not bound by a confidentiality agreement with a Party or had any other duty of confidentiality to a Party), or (iii) has been independently acquired or developed without violating any of the obligations under this Agreement.

The Parties shall use good faith efforts at the termination or expiration of this Agreement to ensure that all user access and passwords are cancelled.

All Confidential Information supplied or developed by a Party shall be and remain the sole and exclusive property of the Party who supplied or developed it.

ARTICLE 16. PERMITTED DISCLOSURE

Notwithstanding provisions of this Agreement to the contrary, each Party may disclose Confidential Information (i) to the extent required by a State Commission, a court of competent jurisdiction or other governmental authority or otherwise as required by law, including without limitation disclosure obligations imposed under the federal securities laws, provided that such Party has given the other Party prior notice of such requirement when legally permissible to permit the other Party to take such legal action to prevent the disclosure as it deems reasonable, appropriate or necessary, or (ii) on a "need-to-know" basis under an obligation of confidentiality to its consultants, legal counsel, affiliates, accountants, banks and other financing sources and their advisors.

ARTICLE 17. SUBCONTRACTORS

To the extent provided herein, the Parties shall be fully responsible for the acts or omissions of any subcontractors of any tier and of all persons employed by such subcontractors and shall maintain complete

control over all such subcontractors. It being understood and agreed that not anything contained herein shall be deemed to create any contractual relation between the subcontractor of any tier and the Parties.

ARTICLE 18. NONWAIVER

The failure of a Party to insist upon or enforce strict performance of any of the terms of this Agreement or to exercise any rights herein shall not be construed as a waiver or relinquishment to any extent of its right to enforce such terms or rights on any future occasion.

ARTICLE 19. SEVERABILITY

Any provision of this Agreement prohibited or rendered unenforceable by operation of law shall be ineffective only to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Agreement.

ARTICLE 20. ENTIRE AGREEMENT/DOCUMENTS INCORPORATED BY REFERENCE

All understandings, representations, warranties, agreements and any referenced attachments, if any, existing between the Parties regarding the subject matter hereof are merged into this Agreement, which fully and completely express the agreement of the Parties with respect to the subject matter hereof.

ARTICLE 21. OTHER AGREEMENTS

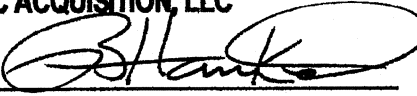

This Agreement does not address or govern the Parties' relationship involving: (a) the tax allocation agreement nor (b) any other relationships not specifically identified herein. All such relationships not addressed or governed by this Agreement will be governed and controlled by a separate agreement or tariff specifically addressing and governing those relationships or by applicable Laws or orders.
