Dear Mr. Danner:

Attached, please find the Work Plan for Puget Sound Energy's ("PSE" or "the Company") 2011 Integrated Resource Plan ("IRP"). It is filed pursuant to the Washington Utilities and Transportation Commission IRP rules under WAC 480-90-238(4),(5) and WAC 480-100-238 (4),(5).

The document includes:

- Section III: Outline of Content;

Puget Sound Energy has already initiated dialogue with stakeholders for the 2011 IRP and held a kick-off public meeting on April 20, 2010. PSE looks forward to continuing this process as we work through numerous details necessary to develop a well supported IRP. PSE will file the final IRP by May 31, 2011.

Please contact Phillip Popoff, Manager-Integrated Resource Planning, at (425) 462-3229 with any questions or feedback pertaining to the Work Plan. Please feel free to contact me at (425) 462-3495 if I can be of any assistance.
