**RE: Asotin Telephone Company  
Revise Termination Liability Charge Application**

Dear Ms. Washburn:

Please find enclosed the following tariff pages:

**WN U-3**

**Section III  
Section IV**

**First Revised Sheet 19  
First Revised Sheet 39  
Second Revised Sheet 41 & 42**

The purpose of this filing is to grandfather the current Termination Liability Charge application for Centrex Service effective July 15, 2010. Contracts that are signed after July 15, 2010 will include the new Termination Liability Charge application as specified in the tariff. The revised language is also being added to the Digital Transport Service offerings. Although the language already exists under the Dedicated DS1 Service, the tariff has been updated to include the revised language and calculation example for consistency. These revisions cover the costs as demonstrated in the applicable tariff pages.

**The proposed effective date is July 15, 2010.**
