Dear Mr. Danner:

Enclosed are the original and three copies of the above-referenced tariff pages. The purpose of this tariff filing is to establish an ISDN service offering. The Company does not currently offer ISDN service today.

In addition, the filing removes from the Company's tariff an antiquated service that was specialized for a munitions plant that no longer exists.

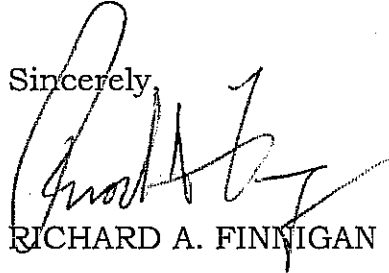

Since this is a new service, a customer notice is not provided.

If you have any questions concerning the specifics of the filing, please contact Mr. Rick Vitzthum at (360) 264-3155.
