

**ORIGINAL**

**MULTIPLE LOT DEVELOPMENT AGREEMENT**

**THIS AGREEMENT** is entered into this 19 day of JULY, 2010, between **RAINIER VIEW WATER CO., INC.**, a corporation organized under the laws of the State of Washington, hereinafter referred to as "Rainier View", and **LAWSON ASSOCIATES, LLC**, a limited liability company organized under the laws of the State of Washington, hereinafter referred to as "Property Owner".

**RECITALS**

1. The Property Owner has proposed to build five (5) single lots (1 ERU / lot) on the property described below and desires to connect to Rainier View's water system.
2. Rainier View owns and operates a public water system, and is willing to provide water service to Property Owner under the terms of this Agreement and its tariff.

**NOW, THEREFORE**, in consideration of the mutual promises and benefits to be derived, it is agreed as follows:

**AGREEMENT**

1. Property Owner shall install an internal lot water distribution line at the location described below:

Parcel # 6026000070

Total Domestic ERUs: 5

2. After the Date of Acceptance, as defined herein and all fees are paid, Rainier View shall install a service connection at the property line of the location described in Paragraph 1, in accordance with its tariff.
3. From the Date of Acceptance, Rainier View shall, subject to approval by the Washington Utilities and Transportation Commission, provide service to the property.

As used in this Agreement, Date of Acceptance is the date of payment by Property Owner of all sums owed by Property Owner under this Agreement.

4. Nothing in this Agreement entitles Property Owner or Property Owner's successors or assigns to connect to Rainier View's water system, except in accordance with the terms, conditions and charges in Rainier View's tariff filed with the Washington Utilities and Transportation Commission.

5. Rainier View does not warrant delivery of any specific quantity of water, and Rainier View's Standards and Conditions, copies of which are available at Rainier View's office, are designed to produce only the minimum state standards in effect at the time of this Agreement. Such standards may not be sufficient for large lots, agricultural use or highly landscaped lots. Property Owner is relying on Property Owner's own knowledge to determine the adequacy of the state service levels to meet Property Owner's needs and those of Property Owner's assigns and successors in interest.

6. Property Owner shall pay ONE THOUSAND TWO HUNDRED TEN Dollars (\$1,210.00) per residential equivalent for which water service is proposed to be provided by the System Extension as a Developer Contingency Charge. In addition, Developer shall pay FIVE THOUSAND TWO HUNDRED SEVENTY Dollars (\$5,270.00) per residential equivalent for which water service is proposed to be provided by the System Extension as a Supplemental Developer's Fee. Payment of the sums under this paragraph shall be due and payable within five (5) days of the date this Agreement is approved by the Washington Utilities and Transportation Commission, which approval may occur by the passage of time (thirty days after filing).

7. Property Owner shall pay to Rainier View FIVE HUNDRED Dollars (\$500.00) for Rainier View's attorney fees for the development and filing of this Agreement.

8. This Agreement may be terminated by Rainier View, at Rainier View's discretion, upon ten (10) calendar days' written notice to Property Owner, if Property Owner fails to

pay any amounts due under this Agreement when due. TIME IS OF THE ESSENCE IN THIS AGREEMENT.

If this Agreement is terminated under this provision, Rainier View shall have no obligation to provide service to Property Owner or Property Owner's successors or assigns.
