I James Albertson Former owner of:

Employee Enterprises, Inc. DBA SPRINT
MOVING AND STORAGE, would like to very
humbly apologize for the delay of
informing you at the WUTC of the
termination of Employee Enterprises, Inc.
DBA SPRINT MOVING & STORAGE HG-11845.

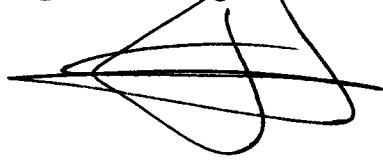

WE officially discontinued operating as
A BUSINESS 5/20/2010 - up to that
point we had operated for about
A YEAR (more like 3 yrs) only to the
extent of trying to figure out how
AND if we could SURVIVE - Unfortunately,
WE did NOT SURVIVE. I personally had
to file BANKRUPTCY AND AM CURRENTLY
dealing with that. I understand that
I OWE some penalties to WUTC for failing
to pay our ANNUAL FEES AND AM UNSURE OF
WHAT TO DO ABOUT THAT. DO I TURN IT
OVER TO THE BANKRUPTCY COURTS? OR "do

I try to set-up some kind of payment Plan with you?" I am awaiting instructions from my Attorney at this time.

Again my humblest apologies

Sincerely

James Albertson Permit # 11845

P.S. I don't know if you can give me any slack on the penalties or not but you were mailing the letters to the wrong address
