Dear Ms. Marek:

RE: 2010 Master Meter System Inspections

The Pipeline Safety Section of the Washington Utilities and Transportation Commission (UTC) will soon be conducting master meter inspections in your service area. Your company might get questions from your customers on our inspection list. Based on UTC staff's phone conversation with you, we will provide your name as a point of contact for questions in regard to CNG's master meter systems.

The master meters in your area that will be inspected in 2010 are:

- Campbell's Court Apartments
- Double Tree Hotel
- Hoquiam United Methodist Church
- Rader Farms, Inc. Cabins

If you have any questions, please do not hesitate to contact Patti Johnson, Pipeline Safety Engineer at (360) 664-1266 or (360) 870-4915.

Sincerely,

David D. Lykken
Pipeline Safety Director
