Re: **Housekeeping: Schedule 42 Large Volume Non-Residential Sales and Transportation Service**

Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), files herewith the following tariff sheet stated to become effective with service on and after **December 20, 2010**:

First Revision of Sheet 142.10.1
"Large Volume Non-Residential Sales and Transportation Service"

The purpose of this filing is to remove the Transportation Charge under Interruptible Sales Service on Tariff Sheet Schedule 42, which was inadvertently included in the Company's filing Advice No. WUTC 10-8A, UG-101487 – Replacement Filing, Annual Purchased Gas Cost Adjustment; Deferred Gas Cost Amortization Adjustments; and other Non-Gas Cost Amortization Adjustments. This change is housekeeping only and has no impact on customers' bills.

The Company respectfully requests that the tariff sheet filed herewith be approved to become effective with service on and after December 20, 2010.

As required by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of NW Natural.

Copies of this letter and the filing made herewith are available in the Company's main office in Portland, Oregon and on its website at www.nwnatural.com

Please address correspondence on this matter to me with copies to the following:
