Re: BridgeCom International, Inc.
Discontinuance of Interexchange Telecommunications Services

Dear Ms. Washburn:

On behalf of BridgeCom International, Inc., ("BridgeCom"), please be advised that BridgeCom intends to discontinue the offering of interexchange telecommunications services within the State of Washington effective December 31, 2010.

BridgeCom is authorized to provide interexchange telecommunications services in the State of Washington pursuant to Commission authority granted in Docket No. UT-010620 (May 9, 2001). BridgeCom respectfully requests that the Commission cancel this Registration as of December 31, 2010.

BridgeCom presently has no interexchange telecommunications services customers in Washington; accordingly, WAC 480-120-083 is not applicable in this case.¹ There are no customers upon whom notice of cessation of service may be served; furthermore, BridgeCom is current with all reports and other filings required by the Commission.

For the Commission's convenience, an original and three (3) copies of this notice are enclosed. An extra copy of this letter is also enclosed. Please date-stamp this "file/stamp" copy and return it in the enclosed self-addressed, stamped envelope.

¹ "WAC 480-120-083 Cessation of Telecommunications Services . . . This rule does not apply to: . . . (d) A service being discontinued that has no subscribers."
